

Follow the below process to connect your Lightspeed eCom (C-Series) instance to Ascent360.

[Click Here](#)

Or

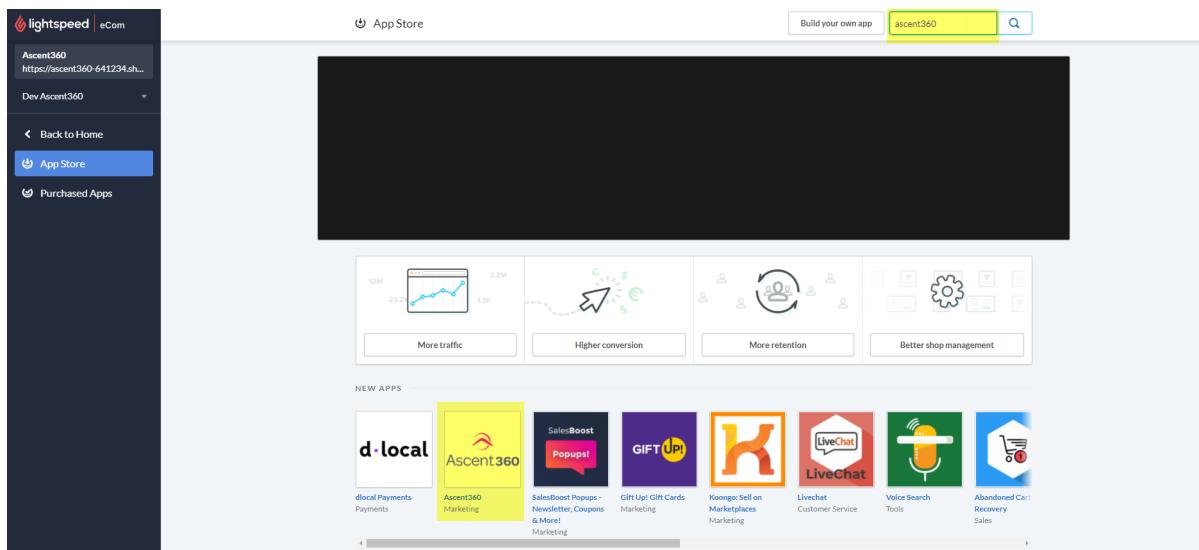

1. Login to your Lightspeed eCom store with admin credentials.

2. Select Apps on the left side menu.

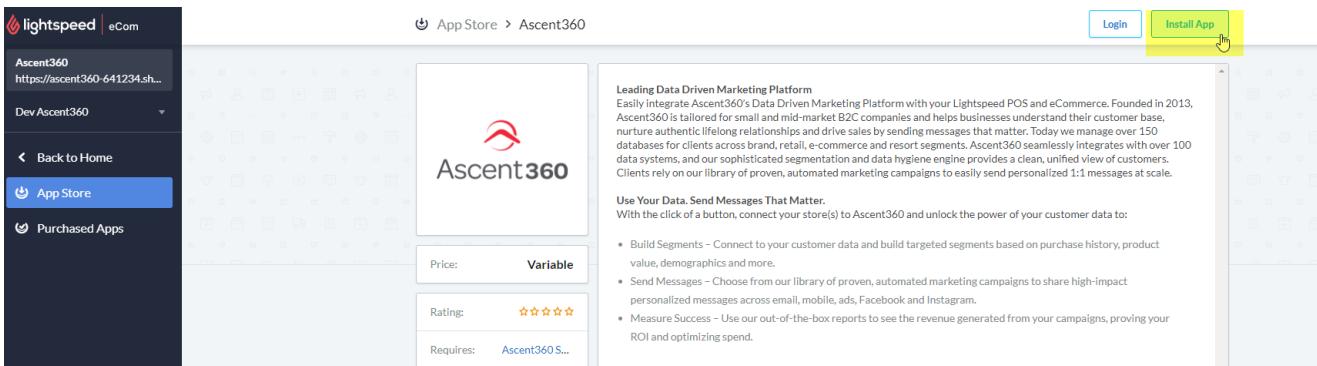

The screenshot shows the Lightspeed eCom (C-Series) dashboard. On the left, a dark sidebar menu is open, showing various sections like Home, Statistics, Orders, Products, Customers, Design, Content, Marketing, Blogs, Apps (which is highlighted with a yellow arrow), Tools, and Settings. The main content area is titled 'Home' and displays a welcome message 'Welcome back, Dev Ascent360!' and a summary of store performance: 4 VISITORS, \$0 TURNOVER EXCL. TAX, and 0 ORDERS. Below this, there's a line chart showing total turnover over time, with a peak in November. To the right of the chart is a small image of a person working at a desk and a snippet of a blog post titled '7 Tips for Sourcing eCommerce Product Suppliers for Your Online Store'.

2. In the search box in the top right, search for Ascent360.

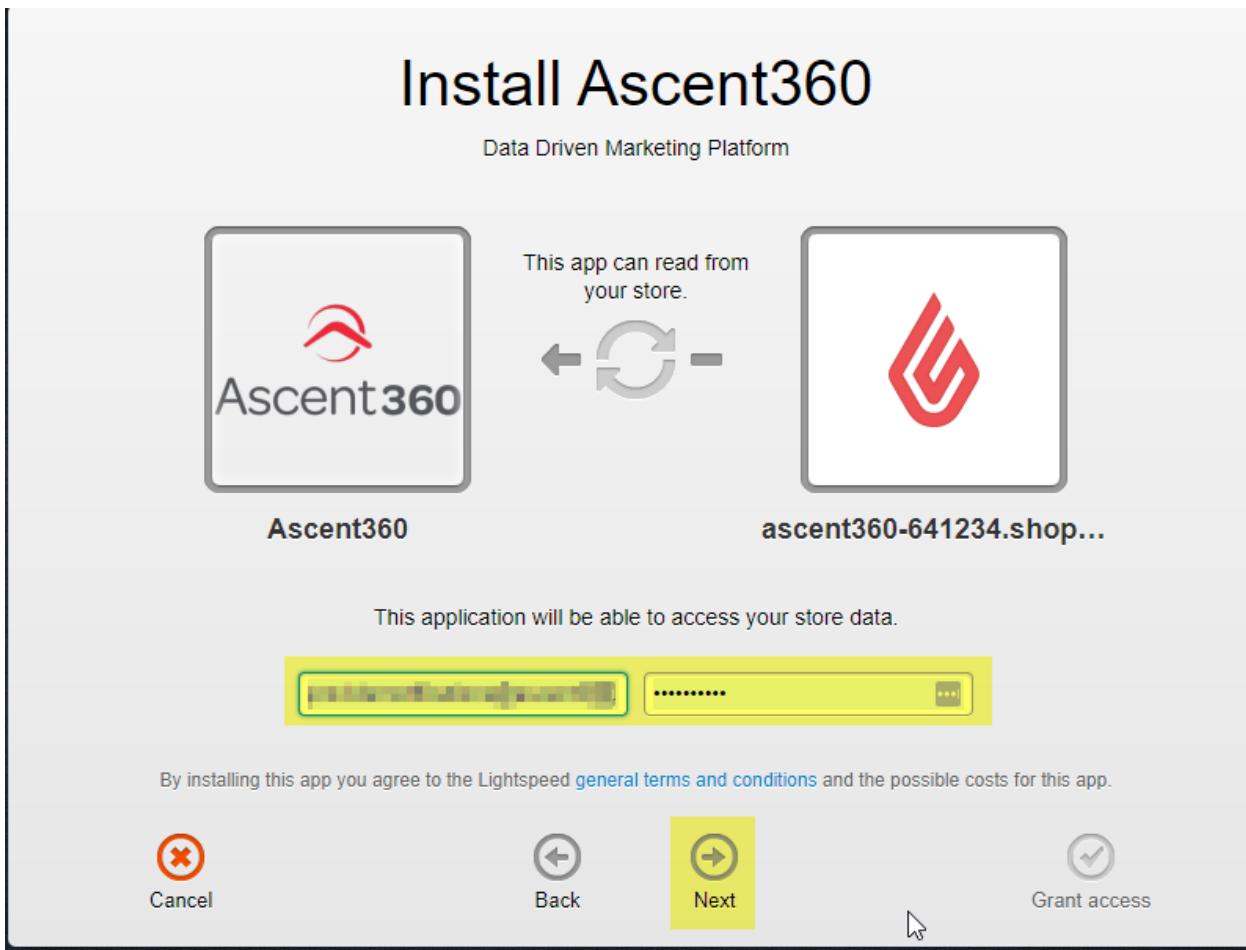

The screenshot shows the Lightspeed eCom (C-Series) App Store. The search bar at the top has 'ascent360' typed into it. Below the search bar, there are four promotional boxes: 'More traffic', 'Higher conversion', 'More retention', and 'Better shop management'. Under the heading 'NEW APPS', there is a grid of eight app cards: 'd-local Payments' (Payments), 'Ascent360 Marketing' (highlighted with a yellow box and a yellow arrow), 'SalesBoost Popups - Newsletter, Coupons & More!' (Marketing), 'GIFT UP! Gift Cards' (Marketing), 'Koongo Sell on Marketplaces' (Marketing), 'Livechat Customer Service' (Customer Service), 'Voice Search Tools' (Tools), and 'Abandoned Cart Recovery' (Sales). The 'Ascent360 Marketing' app card features the Ascent360 logo and a brief description: 'Ascent360 Marketing'.

3. On the Ascent360 App Page, click **Install App** in the top right.

The screenshot shows the Lightspeed eCom interface. On the left, a sidebar lists 'Ascent360' and 'Dev Ascent360'. Below that are 'Back to Home', 'App Store' (which is highlighted in blue), and 'Purchased Apps'. The main content area shows the 'Ascent360' app page on the App Store. The 'Install App' button is located in the top right corner of this page. The page itself contains the Ascent360 logo, a brief description of the app as a 'Leading Data Driven Marketing Platform', and a list of features including 'Build Segments', 'Send Messages', and 'Measure Success'.

4. Enter your Lightspeed credentials and click **Next**.

The screenshot shows the 'Install Ascent360' screen. It features the Ascent360 logo and the Lightspeed logo. A message in the center says 'This app can read from your store.' with a circular arrow icon. Below this, another message says 'This application will be able to access your store data.' with a progress bar. At the bottom, there are four buttons: 'Cancel' (with a red X icon), 'Back' (with a left arrow icon), 'Next' (highlighted in yellow with a right arrow icon), and 'Grant access' (with a checkmark icon). A cursor arrow is pointing at the 'Grant access' button.

5. Click **Grant Access**.
