The screenshot shows the BigCommerce app marketplace interface. On the left is a dark blue sidebar with the BigCommerce logo and navigation options: 'Ascent360 Sandbox Store', 'View Store', 'Home', 'Search', 'Apps', 'Marketplace', and 'My Apps'. The main content area has a breadcrumb trail: 'All Apps / Marketing / Marketing Automation / Ascent360'. Below this is the app title 'Ascent360' and a large image of the app's logo. To the right of the logo is the text 'Custom Pricing', a star rating '(0)', and a yellow 'Install' button with a hand cursor. Below the app image are tabs for 'Description', 'Screenshots', and 'Reviews'. The 'Description' tab is active, showing the text: '#Leading Data Driven Marketing Platform', 'Leverage the power of your BigCommerce customer data with Ascent360. Marketers across the U.S. and Canada use the Ascent360 Platform to send segmented and data driven emails, Google & Facebook campaigns, & text messages to a cleansed customer database. Clients rely on our library of proven, automated marketing campaigns to easily send personalized 1:1 messages at scale, building relationships that result in immediate returns and lifetime advocates.', '#Use Your Data. Send Messages That Matter.', and 'With the click of a button, connect your store(s) to Ascent360 and harness the power of your customer data to:'.

5. Click "Confirm" to grant Access.

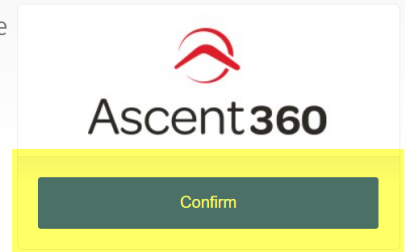

< Back

Ascent360 is requesting to update its access to your BigCommerce store.

What data will it use and how?

Ascent360 will receive read-only access and it will not be modifying any data in your BigCommerce account. We leverage the BigCommerce API to collect data from different endpoints which consist:

- Customers
- Orders
- Items
- Categories
- Products
