

Want to talk through some platform questions on a live call?

We'd love to set up a call with you! Our "Time with a Specialist" sessions let you ask questions in real-time and can be a streamlined alternative to long email threads.

Here are a few topics we can cover:

- Audience building and field insights
- Email editor guidance and best practices
- Reporting assistance
- Setting up email automations

Find a time that works with your schedule:

- Find a time with Justin: [Click here](#)
- Find a time with Raymond: [Click here](#)

(Note: if you have a dedicated client success manager, please set up a session directly with them).
