

The following are additional products & services we offer:

No.	Item	Description	Price	Recurrence
1	Client Success Consulting & Prepaid Time	1:1 strategic consulting with a Client Success Manager. Pay for a specific number of hours up front, or pay as you go (billed monthly).	Starting at \$185 per hour	Customizable
2	Time with a Specialist (First session free)	Additional 1:1 real-time support with one of our Help Desk specialists. This service is for product and technical support, not strategic planning.	\$165 per hour	Ad Hoc
3	Private IP	Establish your own IP, not shared with other clients. This allows you to control your own deliverability.	\$60 - \$100	Monthly
4	Power BI Business Intelligence Tool	Access to the Power BI tool with visibility into your data and ongoing monitoring and upkeep by Ascent360. Does not include training or custom development.	Starting at \$100	Monthly
5	Account Review - Standard Deck	Account review presentation with specific client KPIs and recommendations from one of our Client Success Managers.	\$750 flat fee	Ad Hoc
6	Data Appends	Improve data quality and completeness, collect new and/or missing data*, i.e. Email address, household income, gender, reverse email appends. Ask for a quote!	Based on number of records and matches.	Ad Hoc

7	Email Validation	Measure and improve the overall quality of your email records. Save money and improve deliverability by removing bad email records.	Based on the number of records. Request a quote from your CSM or the Help Desk.	Ad Hoc
8	New Integrations	Integrate new and additional data sources into your CDP. If you have a new source system, we'd love to help you get it connected into your Ascent360 platform. Request a quote from your CSM or the Help Desk by clicking here .	Cost is based on the data source and will reflect the # of hours of Dev Time needed. \$185 per hour x Hours Needed	Ad Hoc
9	Managed Services	Campaign management (email creation, SMS creation, automation), Graphic creation, Landing page/webform creation, etc. Learn more here!	Starting at \$135 per hour.	Customizable
10	SMS/Texting	Ascent360 now offers an in-platform SMS tool! Send basic SMS messages or MMS (multi-media) messages all within your main Marketing Platform. Learn more here!	Credits are approximately \$14 CPM (cost per thousand).	Monthly
